

## Invitation to The 9<sup>th</sup> International BIM Awards

Dear Sir or Madam,

On behalf of IDTM•bSHK, I am pleased to inform you that The 9<sup>th</sup> International BIM Awards Conference will be held in December. The applications for the awards are now open.

As BIM has become more mature over the years, it has now been widely used among the industry. The effective way of using BIM model and relevant BIM information have become a concern. The delivery standard of BIM model and application of BIM in the whole life cycle of building engineering have also attracted high attention and heated discussion among experts and users in various countries.

The International BIM Awards, a competition set up specifically for projects applying BIM technology, has been successfully held for seven years. The International BIM Awards are to celebrate organisations and professionals with outstanding and innovative contributions to the industry. Awards will be presented to commend teams or enterprises that have performed well and made extraordinary contributions in BIM implementation or use BIM for decision making to improve construction productivity and operations management. The winning team or enterprise will be awarded a certificate or trophy and will be the spokesperson in the IDTM • bSHK experience sharing session of the conference in 2024.

Competition Notice. The deadline for registration and submission of entries is 5:00 pm on October 20 (Sunday). In order to facilitate the statistics of the organizing committee, complete the online registration information from August 23th to October 10th, and submit the entry materials as required, and the registration fee will be waived; submit the entry application from October 11th to October 20th, each A registration fee of
